A LEGENDARY BEER Now Available Year-Round

Originally brewed in 1986 to commemorate the 200th birthday of one of the brewery's founding members - RODENBACH Alexander has gained enormous popularity and is now available year-round for all to enjoy.

Named one of the top beers of the year by Beer Connoisseur, it has earned a perfect 100/100 points by RateBeer and received high praise from Esquire, Eater, Food & Wine, USA Today and many other leading publications. RODENBACH Alexander is a blend of 2/3 'young' RODENBACH ale and 1/3 authentically-aged RODENBACH ale (2-year matured beer from standing oak foeders) along with macerated cherries.

Over the past two centuries, RODENBACH has earned its official status as a Belgian National Treasure and one of the most awarded beers, globally. RODENBACH ages its beers in hand-made standing oak casks (foeders), each with the capacity of 90 wine barrels. With 294 foeders at the brewery in Roeselare, Belgium RODENBACH has the largest collection of wood-aged beer in the world.
