“The most refreshing beer in the world.”
- MICHAEL JACKSON

Recipient of over 15 world-class awards and honors of distinctions dating back to 1894, RODENBACH Classic has a fresh and bright bouquet of ripe raspberry and strawberry aromas and just a hint of funk. The palate is light and refreshing, with abundant flavors of tart green apple and white grape, and accents of caramel, vanilla and sweet spice on the finish.

RODENBACH Classic’s refreshing tartness comes from blending 75% fresh young RODENBACH ale with 25% authentically aged RODENBACH ale (2-year matured beer from standing oak foeders).

Over the past two centuries, RODENBACH has earned its official status as a Belgian National Treasure and one of the most awarded beers, globally. RODENBACH ages its beers in hand-made standing oak casks (foeders), each with the capacity of 90 wine barrels. With 294 foeders at the brewery in Roeselare, Belgium RODENBACH has the largest collection of wood-aged beer in the world.
