RODENBACH
GRAND CRU

6% ABV

“The most refreshing beer in the world.”
- MICHAEL JACKSON

Over the past two centuries, RODENBACH has earned its official status as a Belgian National Treasure and one of the most awarded beers, globally.

RODENBACH Grand Cru is a blend of 2/3 authentically-aged ale (2-year matured beer from standing oak foeders) with 1/3 ‘young’ ale. It is bright and tart, with flavors of ripe berries, vinegar, vanilla and oak.

RODENBACH ages its beers in hand-made standing oak casks (foeders), each with the capacity of 90 wine barrels. With 294 foeders at the brewery in Roeselare, Belgium RODENBACH has the largest collection of wood-aged beer in the world.

With the complexity of a fine wine and the refreshment quality of a beer, Brew Master Rudi Ghequire calls RODENBACH “the missing link between beer and wine.”
