The Most Awarded Brewery in the World

Over the past two centuries, RODENBACH has earned its official status as a Belgian National Treasure and one of the most awarded beers and the most awarded brewery, globally. RODENBACH ages its beers in hand-made standing oak casks (foeders), each with the capacity of 90 wine barrels. With 294 foeders at the brewery in Roeselare, Belgium RODENBACH has the largest collection of wood-aged beer in the world. With the complexity of a fine Burgundy and the refreshment of a beer, Brew Master Rudi Ghequire calls RODENBACH “the missing link between beer and wine.”
